
Every time I see you I remember

Contributed by Asif Dange

Every time I see you I remember
All the things you did for me when I
Was going through my adolescent hell.
Yet now I cannot speak unless I cry.

I know you are no longer free to see me;
You've made your choice, and that I must respect.
But I've a need to say that I still love you.
I have no fear or pride I need protect.

Just as the sun must come back every morning
To shine upon the meadow it holds dear,
So I will from afar shine on your glory,
And hope someday again you'll let me near.
